Part I

INTERPERSONAL

Chapter 2

Introduction

History

- Cornell School: study of speech from a humanities perspective
- Midwestern School: study speech as a science

According to (Baxter and Braithwaite, 2008), interpersonal communication is “the production and processing of verbal and nonverbal messages between two or a few persons”.

Three perspectives to study interpersonal communication (Baxter and Braithwaite, 2008)

- Individually Centered
- Interaction/discourse Centered
- Relationship Centered

Chapter 3

Individually Centered

Chapter 4

Interaction/discourse Centered

Chapter 5

Relationship Centered

Chapter 6

Methods

We describe our methods in this chapter.

Part II

INTERORGANIZATION

Chapter 7

Final Words

We have finished a nice book.
